

		Track 1 Airside Operations and Safety (Sponsored by NATCA)		Track 2 Emergency Management	Track 3 Advanced Airport Planning (Sponsored by Woolpert)	Track 4 Geospatial Technologies
MONDAY JULY 28, 2025	2:00 - 5:00 p.m.	Registration				
	5:00 - 6:30 p.m.	Welcome Reception with Exhibitors (Sponsored by Denver International Airport)				
TUESDAY JULY 29, 2025	7:30 - 8:30 a.m.	Continental Breakfast with Exhibitors (Sponsored by ProDIGIQ)				
	8:00 - 8:30 a.m.	Young Professionals Meet and Greet				
	8:30 - 8:45 a.m.	Conference Welcome				
	8:45 - 10:00 a.m.	Plenary Session One State of the Industry: Emerging Safety Issues and Challenges for Airport Operations				
	10:00 - 10:30 a.m.	Refreshment Break with Exhibitors				
	10:30 - 11:25 a.m.	Breakout 1	Improving Runway and Surface Safety: Case Studies & Lessons Learned	Track Break	FAA Update on AAM/UAS/New Entrants	Taking Off at DEN: Transforming Legacy Systems into a Modern Airport GIS
	11:35 a.m. - 12:30 p.m.	Breakout 2	Track Break	Efficiently and Safely Resuming Operations After an Incident or Accident	Master Planning for Advanced Aviation and Autonomy	Utilizing Artificial Intelligence and Automating Processes and Workflows
	12:30 - 1:45 p.m.	Keynote Luncheon (Sponsored by Mead & Hunt)				
	1:45 - 2:40 p.m.	Breakout 3	Airport SMS: Program Implementation	Full Scale Exercise Planning and Execution	Track Break	Internet of Things (IoT) Integration and Real-Time Data Feeds
	2:50 - 3:45 p.m.	Breakout 4	Airport SMS: Effective Ways for Training the Workforce	Family and Survivor Assistance Planning: Going Beyond Your AEP in the Triennial Exercise	Artificial Intelligence, Digital Twins, and Analytics for Airport Operations	Track Break
	3:45 - 4:15 p.m.	Refreshment Break with Exhibitors				
	4:15 - 5:15 p.m.	Plenary Session Two Leveraging Data for Analytics and Continuous Improvement in Operations and Safety				
	5:30 - 8:00 p.m.	Social Event (Sponsored by Denver International Airport)				
WEDNESDAY JULY 30, 2025	7:30 - 8:30 a.m.	Continental Breakfast with Exhibitors				
	8:00 - 8:40 a.m.	Airside Ops & Safety WG, Emergency Management WG, and Geospatial WG Meetings: Interact with Colleagues!				
	8:45 - 9:45 a.m.	Plenary Session Three Preparing for a Mid-Air Collision Near Your Airport				
	9:45 - 10:15 a.m.	Refreshment Break with Exhibitors				
	10:15 - 11:15 a.m.	Breakout 5	Collaborating with Airline Partners on Safety and Operations	Natural Disasters: Preparedness, Response, and Recovery	Track Break	Airport GIS Use Cases
	11:30 a.m. - 12:30 p.m.	Breakout 6	Construction Safety Phasing Plans: Risk Assessments and Implementation	Managing Unauthorized Drones and Individuals on Airport Premises	Airport Strategies to Prepare for AAM and Regional/Urban Air Mobility	Track Break
	12:30 - 1:40 p.m.	Lunch with Exhibitors				
	1:40 - 2:35 p.m.	Breakout 7	FOD Management and Pavement Inspections	Track Break	Preparing Your Organization to Embrace Innovation	Leveraging LiDAR, Drones, and Other Technologies for Data Collection and Other Applications
	2:45 - 3:30 p.m.	Breakout 8	Track Break	Improving EM Training and Awareness Across the Airport	Autonomous Ground Vehicles and Technology	BIM Standards and GIS Integration
	3:30 - 4:00 p.m.	Refreshment Break with Exhibitors				
	4:00 - 5:00 p.m.	Plenary Session Four FAA Conversation and Updates				
THURSDAY JULY 31, 2025	8:15 - 8:30 a.m.	Hotel Pick-Up for Airport Tour				
	8:30 - 11:00 a.m.	Tour of Denver International Airport
