

Discover **ACT** innovation at the  
Airport Operations & Technology  
Symposium!

## ACT AT THE AAAE AIRPORT OPERATIONS & TECHNOLOGY SYMPOSIUM

Join us for an opportunity to explore the intersection of airport operations, technology, and ACT programming - united by a shared commitment to three pillars of aviation transformation:

**ADVANCED AIR  
MOBILITY**

**AIRPORT  
ELECTRIFICATION**

**ARTIFICIAL  
INTELLIGENCE**

ACT's flagship in-person programming is now hosted in conjunction with the Symposium. ACT Workshops feature exclusive content and interactive sessions that deliver actionable insights and promote peer-to-peer learning across the aviation community. Workshop times and location are listed here:

<b>Tuesday, 7/29</b>	<b>1:45 – 2:40 p.m.</b>	<b>AAM Task Force Workshop</b>	<b>Mineral B-C</b>
<b>Wednesday, 7/30</b>	<b>10:15 – 11:15 a.m.</b>	<b>Airport Electrification Task Force Workshop</b>	<b>Mineral B-C</b>
<b>Wednesday, 7/30</b>	<b>11:30 a.m. – 12:30 p.m.</b>	<b>Artificial Intelligence Task Force Workshop</b>	<b>Mineral B-C</b>

# WORKSHOP OBJECTIVES

## ✕ Project Status Updates

- **AAM Infrastructure Planning Guidebook**  
Supports airport master planning for future AAM operations.
- **Electrification White Paper**  
Addresses utility optimization, power distribution, energy delivery, and resilience.
- **AI Policy & Compliance Primer**  
Provides foundational guidance on AI adoption, research, and best practices.

## ✕ Expand Airport Participation

Each workshop invites fresh perspectives from airports to enhance deliverables and ensure they reflect real-world needs and priorities. We want to hear from you!

## WHY ATTEND?

Stay informed on airport innovation, contribute to national strategies, and build partnerships with industry leaders driving results.
